

Companion Book for Translators and Interpreters: Construction: 1000+ Key English-Spanish Construction Terms

While preparing for an interpretation related to construction matters, or if you are translating a civil engineering document, this book can be a helpful resource. Take it with you as a companion! It will be there for you if needed. It will also be at hand during the interpretation, should you need to quickly look up a term. It contains only the most frequently used construction terminology in English and Spanish.
