

Not Our Fathers Faith: How Doctrines Of Demons Have Invaded The Church

While the Church was fast asleep, strange intruders pried open the back door and mysteriously crept in. They violated Gods sacred Church with ideas foreign to His Word. Encouraging believers to turn their hearts and minds away from sound doctrine, they promoted emotional experiences and strange phenomena more akin to ancient paganism than Biblical Christianity. Through this straightforward and hard hitting book, internationally known evangelist Bill Rudge sounds the alarm. Well researched and balanced, Not Our Fathers Faith illustrates how the occult has subtly penetrated modern houses of worship.
