

Complete Reference Library

This inexpensive bundle makes a great starter kit for new students in any grade, even college. With all the tools and essential software they need, fully licensed and worth over \$130, new grads will be armed with the best information available. The Complete Reference Library includes: Encyclopedia Britannica 2002 Deluxe Edition CD-ROM is the largest collection of any CD or print-based encyclopedia, with new intelligent search capabilities that retrieve the information needed quickly, plus related knowledge areas that add breadth to search results. Merriam-Webster Desk Dictionary is Americas best-selling dictionary! It contains over 70,000 definitions and 150 illustrations. Merriam-Websters Desk Thesaurus is an alphabetical list with more than 157,000 synonyms, antonyms, related and contrasted words, and idioms. The Elements of Style by Strunk and White has conveyed the principles of plain English to more than 10 million readers. Ques Official Internet Directory: 2002 Edition organizes Web sites in one directory so that you can save time in your search. The directory is organized by categories such as education, finance, and games, and Web sites are identified with icons if they exhibit ease in usability, offer e-commerce, and/or are the best of the best site in their category.
