

## Cosmic Connections: The Cosmic Lords, Angels And Ascended Masters

When engaged in writing inspirational scripts by using a subjective inspirational method, connection was made with the higher energies. The original affirmation subject chosen was I am a Star which produced a stunning message from a cosmic traveller about our Earth planet and humanity. It has become clear that the connection to cosmic sources also connects us to the dimensions of love and light where Angels dwell. This reveals to us the many and varied lessons of knowledge and guidance, imparted for human growth and learning. If the truths ring true to you the reader, and are acceptable to your viewpoint, then you are asked to spread the knowledge of light and illumination. In doing so, you have answered a call of service to our great Creator, our loving Lord, the supreme source of all, we call God.
