

Cosmic Revelations Till The End Of Time: Channeled Prophecies From The Galactic Guardians

ULTRA-TERRESTRIALS FROM OTHER PLANETS AND HIGHER REALMS ARE ARRIVING DAILY EN MASSE, BRINGING THRILLING NEWS ABOUT THE WORLD OF TOMORROW!

HERE ARE EARTH SHATTERING REVELATIONS, CHANNELED THROUGH A MYSTERIOUS NEW YORK CITY BUSINESSMAN, THAT ARE SAID TO BE MORE ACCURATE THAN THOSE OF EDGAR CAYCE AND NOSTRADAMUS!

LEARN WHY THEY ARE REVEALING THEIR TRUE PRESENCE DURING THESE PIVOTAL TIMES TO SHOW US THE TRUE NATURE OF THE COSMOS AND TO USHER IN AN UNPRECEDENTED PERIOD OF PEACE AND HARMONY . A SAMPLE TRANSMISSION On most planets, sickness is almost totally unknown. With the spirit and the mind in perfect harmony, people would live to be many more decades older than they do now. Think of the violet rays in order to heal someone. The Earth is a living entity all the planets are inhabited in many dimensions. There are worlds within worlds and spirals within spirals. Learn about the sanctity of life. Someday we will all travel together on the same beam of light toward the one source. Someday Earth may be a part of the Free Federation of Planets. The above is a channeled message from an entity claiming to be a representative of the Free

Federation of Planets. It is one of thousands of messages that have been received from intelligence asserting to be from outer worlds in and beyond our solar system. But what is the definition of Channeling and is it for real or simply celestial bunkum? Is it possible to talk to

space beings? Ancient Tibetans? Etheric entities of one type or another? All things being equal, obviously we cant do this face-to-face on a one-to-one basis, so we have to come up with some other form of communications. The notion of receiving channeled messages from friendly extraterrestrials may be said to have begun in the mid-20th century, but the New Age-y phenomenon is really nothing new. The story of benevolent voices from beyond the vastness of time and space goes back well into ancient times, perhaps even as far back as the Bible itself. In a series of telepathic broadcasts, from a highly intelligent being who identified himself as Ashtar, Commander of a huge spaceship orbiting Earth, we are given prophetic revelations on a variety of relevant subjects, including:

- o The folly of our political systems
- o The TOP-SECRET mission of the Space Brothers
- o Spiritual development of humankind
- o The selection of the Chosen Ones to be removed from the planetary in event of a global disaster
- o The inside of our planet is really inhabited
- o Physical changes to be undergone by the planet in years to come
- o Meditation key to lifting our vibrations
- o Educational craft orbiting Earth
- o Negative beings have infiltrated the military and government
- o More assassination attempts to be made on world leaders
- o The coming of open relations between Earth and other worlds
- o Teleportation soon to be commonplace
- o True meaning of the beast whose number is said to be 666.
- o Earth is a living entity
- o Life in other dimensions.
