

The Flying Witch

Whirr. Whirr. Clunkety-clank Here comes Baba Yaga! Flying her mortar and pestle, the witch with the long iron nose scours the countryside for plump young children to eat. But will she be a match for the feisty little girl she hopes to throw into her soup? New York Times best-selling author Jane Yolen has created a clever, original story based on hundreds of traditional Russian folktales about the famed scary old witch. Vladimir Vagin's remarkably detailed borders and intricate scenes will give readers chills and laughs as they read this witty tale.
