

Curious (3 novels in 1)

Three full length novels in one supernatural collection. Over 500 pages means value for money. Buy one novel instead of all three and save. In the hauntingly beautiful and dramatic, *The Bird With The Broken Wing*, Rachael is a guardian angel who finds herself trapped in Purgatory with Ben, a young soldier she was assigned to watch over. She knows the terrible secret that's keeping Ben trapped in limbo, but can't understand why she's stuck with him. It's not until Jet appears, a feisty teenager who falls for Ben, that the angel begins to question if the soldier's soul isn't the only one in need of saving. In the action-packed spy adventure, *Feedback*, Ethan James, Jake Inala, and Florida Bowman are three teenagers who are plunged into the world of spooks and terrorism when they receive the organs of deceased CIA agent and take on the task of completing the mission the spy died midway through, that of deactivating bacteria bombs threatening millions of lives. In this situation, listening to their inner voices can very much get them killed.

In the poignant teen romance novel, *Little Red Gem*, Ruby Parker sets out on a bitter sweet, fool hardy mission to find out how much the boy she loves loved her. With the aid of bad advice from a ghost, magic courtesy of an unsuspecting half-sister, and a televised music talent show, Ruby makes more of a mess in death than she ever made in life. But what choice does she have? Her life depends on true love. *Curious* is a masterful collection of over 500 pages of action, drama, adventure, teen issues, and romance in one unputdownable book.
