

Superior: Adventure Romance

In the not-too-distant future, after the Water Wars led to Civil War II, Superior Protectorate established itself in what is now Michigan's Upper Peninsula. Two young women, Miss Kristian and Miss Rhona, will soon be of marrying age, but that means being tied to a husband instead of each other--a forbidden prospect. Powerless to change the rules of a nation that supposedly protects them, the young lovers are thrust into a perilous journey in their quest for freedom and a life together.
