

## Cutting More Ties That Bind

This is the sequel to Cutting the Ties that Bind and contains advanced information that can be used to release ourselves from more complex systems that program behaviour. These include familiar and national custom things we do without even thinking about them. This is the book that will make us see what we are doing; it will help us release thought forms; it will help us be the kind of parents we wish we had! This is a book of effective self-awareness that opens the door to a lifestyle of self-assured and happy people.
