

## Demonios, brujería y el ocultismo // Demons, Witches, and the Occult (Serie Bolsillo) (Spanish Edition)

En este libro, los autores ponen al descubierto las obras de Satanás y del campo del ocultismo mediante lo que dice la Biblia respecto al tema. En este contexto, es su deseo brindar una imagen equilibrada de la situación y evitar el sensacionalismo. Al ver que la humanidad tiene una cierta fascinación por el mal, sería inteligente tomar el consejo del apóstol Pablo: Quiero que sean sabios para el bien, e ingenuos para el mal (Romanos 16:19). // In this book, the authors expose the workings of Satan and the occultism realm by looking at what the Bible says about the subject. In doing this, it is their desire to give a balanced picture of the situation and to avoid sensationalism. Seeing that mankind has a certain fascination about evil, it would be wise to take the advice of the Apostle Paul, I want you to be wise in what is good and innocent in what is evil (Romans 16:19).
