

Celebrating Planet Earth, a Pagan/Christian Conversation: First Steps in Interfaith Dialogue

Celebrating Planet Earth, a Pagan/Christian Conversation will appeal to Pagans and Christians interested in making connections; academics and students in Religious Studies taking courses on inter-faith dialogue, Paganism or Christianity; and anyone with an interest in inter-faith activities. Contributors include leading figures in the British Pagan, especially Druid, world, in the Christian Forest Church movement and earth-centred Christianity and academics in the field of religious studies. As well as academic discussion, there is a practical emphasis on personal spirituality and ritual practice, and the possibility of these being shared across the Pagan and Christian traditions.
