

# Depraved English: The Most Disgusting and Hilarious Word Book Ever

From aboiment to zoerastia, a guided tour of the lantrified underbelly of the English language. This unusual, un-put-downable little volume by Peter Novobatzky and Ammon Shea collects more than three hundred of the English languages most disgusting, offensive, and obscene words--words that have fallen out of common usage but will no doubt delight, amuse, and in some cases prove surprisingly useful. Who hasnt searched for the right word to describe a colleagues maschalephidrosis (runaway armpit perspiration), a bosss pleonexia (insane greed), or a buddys fumosities (ill-smelling vapors from a drunken persons belches)? Word lovers, chronic insulters, berayers, bescumbers, and bespewers need feel like tongue-tied witlings no more: Finding the correct, keck-inspiring word just got a whole lot easier with Depraved English.
