

A New America - The Awakening

Since the dawn of time on this planet people have had to endure wars, poverty, disease, and totalitarian governments. This saga has repeated itself over and over again. There is another way to get off this vicious treadmill. America can once again rise as a New Atlantis into being a shining beacon of light. We can enter into a new period where out of the rubble of greed and corruption we can build a New America. The Awakening has begun.
