

Taking a Different Path

Taking a Different Path is two books in one by Sally Liddick, founder of Barkleigh Productions and publisher of Groomer to Groomer magazine. Her autobiography tells of the struggles, challenges, pitfalls and successes of a woman starting a niche business as she moved it from her home to a 2-1/2 million dollar a year operation. This is also the story of a friendship that has lasted a lifetime. Each chapter tells of the wacky adventures and people they met while traveling the country, and eventually the world, Sally has added a humorous, inspirational and fun loving twist to their experiences. Readers will relate their own friendships to Sally and Gwens and will learn valuable lessons and strategies to compete in the business world.
