

Divine Radiance - On The Road With The Masters Of Magic

Jasmuheens sixteenth book, **DIVINE RADIANCE** : On the Road with the Masters of Magic, describes her life with, and the modern day teachings of, these amazing beings. She writes: Somehow in the course of my life I have been blessed with both witnessing and experiencing pure Divine Radiance. When the Radiance reveals Itself we are captured by Its Splendor as we intuitively recognize Its power. It has taken me decades to discover how when Its illumination enters our energy field, our bodies become irradiated by a laser beam of such perfect sustenance that all our appetites are fulfilled. This book is my attempt to describe Its delights.
