

## ISO 14000: Questions & Answers

The newly revised ISO 14000 Questions & Answers is an ideal introductory reference for professionals who need a convenient resource for background information on the ISO 14000 standards, or for training and briefing staff or upper management. This publication features answers to more than 55 of the most-asked questions regarding the ISO 14000 series and environmental management. The new version includes information on ISO 9001/ISO 14001 joint auditing, revisions to ISO 14001, updates on the entire ISO 14000 series and much more!
