

## Your Vehicle for Business Success: Successful business made easy

Would you like to increase your revenue, profit and freedom in your business using a simple, proven system? Over many years spent running his own successful business, pharmacist and businessman Moinuddin Nishar Ahmed Kolia has discovered that looking after a business in the same way that you would look after a car offers an excellent blueprint for success. In this powerful and practical book he shares his blueprint with you. Your Vehicle for Business Success offers you: An insight into all aspects of business through a simple analogy. Questions that will clarify your reasons for going into business. Exercises to identify whether you have the passion to make it work. Methods to establish whether your model of business is viable. Tools to identify the hidden resources in your business. Tips to help you maximise your profit. Guidance on how to establish an outstanding team. The ability to build your business brand based on your values and vision. Packed with exercises and tools to help you create and implement an effective business plan, Your Vehicle for Business Success is an essential companion on the road to a profitable and successful business.
