

# Dos and Dents Around the World Europe: A Country Guide to Cultural and Social Taboos and Etiquette (International Travelers Resource Guide)

DOS & DENTS AROUND THE WORLD was written to guide foreign travelers and to spare them of mistakes that could embarrass them, hurt them, cost them money, land them in jail and ruin their trip abroad. The book describes hundreds of country-specific cultural and social dos and dents. The book contains separate listings for each country in the region. Information contained in the book came primarily from representatives and officials of the countries through an extensive world-wide questionnaire survey.
