

## Language: the Social Mirror (Sociolinguistics)

Language: The Social Mirror focuses on the ways language is used and how this use affects the individual as well as society. Thoroughly revised, the fourth edition presents a modern study of sociolinguistics through updated case studies and current research findings. Elaine Chaika gives a detailed explanation of the complexity of language and its uses. She also explores some of the most controversial issues surrounding social language including dialects, bilingualism, and gender.
