

The Ebola - American War: Treating Ebola & Similar Fatal Infections at Home - The Prepper Pages

Will you know what to do if Ebola gets loose here? What if we have a major outbreak, or even an all-out epidemic? Do you know how to take care of a sick family member at home? You might have to if the healthcare system fails. Within a month our hospitals might become overwhelmed and collapse, then well be on our own. Well show you what Personal Protective Equipment youll need, and how to treat someone at home if it comes to that. Well teach you Ebola decontamination procedures, and how to set up a treatment facility for your family. Most important, well show you how to treat the disease without getting ill yourself! Weve adapted the protocols used in Africa to work for preppers here in America. Our book is short and to the point. Its about surviving the next American Epidemic!
