

Dreamwalker: The Path of Sacred Power

Dreamwalkers are those rare few who are led by the spirit, have shed the yoke of desire, and have discarded the need for material gain and all evidence of negative thought. Freed from personal goals, they travel the path of knowledge and go where the spirit of truth leads them. A student of No-Eyes, Brian Many Heart, teaches Mary Summer Rain the magic and power of the Dreamwalker. Under the close scrutiny of No-Eyes, Summer Rain and Many Heart explore the realms of the spirit. Dreamwalker is the third volume in the No-Eyes tetralogy that includes Spirit Song, Phoenix Rising, and Phantoms Afoot.
