

Twelve Faces of Saturn: Your Guardian Angel Planet

No longer will Saturn be seen as a malefic; now you can see this powerful planet in its true form, as a type of guardian angel, when you read *Twelve Faces of Saturn* by Bil Tierney. If you are an astrologer, or have received an astrological reading, you have probably associated the planet Saturn with personal limitations, material obstacles, psychological roadblocks, and restriction. You may observe its symbolism in your own natal chart with uneasiness and anxiety, even though you may intellectually agree that its higher purpose is as your wise teacher. In *Twelve Faces of Saturn* you will learn to throw out the portrait of the creepy-looking, scythe-wielding Saturn of centuries past. *Twelve Faces of Saturn* offers a refreshing new picture of this planet as a friend, not a foe. You will learn that Saturn is actually a key to liberating us from a life lacking clear self-definition.
