

Holy Day Meads

Meads says... Come walk a year With me, From the cold quiet of Yule through the heat of summer to walk in the colorful leaves of Samhain, Explore the Holy Days with my warmth and sweetness... Holy Day Meads explores the eight Sacred Pagan Holidays by considering the energy of the season, agriculture activity, cycle of the Gods life and traditional ritual observations for each day. There are suggestions for making a simple cyser mead for each of these special times, reflecting their significance and sacredness. Each is celebrated with poems, photographs and personal visualizations. Come visit with Mead for a full Turning of the Wheel...
