Author Ellen Jaffe Jones has combined passion, money savvy, journalistic expertise, and culinary skills into a consumers guide for an economically viable dietary lifestyle. She has scoured the shelves of popular supermarkets and big-box stores and calculated exactly how much it costs to eat healthfully and deliciously. Readers will learn how to adapt their favorite recipes, cook with beans and grains, and use bulk buying to get big savings. Includes nearly 100 nutritious, delicious and low cost recipes and a weeks worth of menu-planning ideas that show how the recipes can be combined to get a cost of \$4 a day.
