

## Egyptian Scarab Oracle

The ancient Egyptians knew the power of the sacred scarab, symbol of life, hope, and regeneration. The Egyptians believed that everything vibrates with living magic; the actions of sacred birds and animals can reveal the will of the gods and goddesses; and with the right divination system, all things can be known. Learn about the art of divination in ancient Egypt and the role of the scarab in magic and literature. A vivid dream of life as a temple priestess in ancient Egypt led Mysteries of Isis author deTraci Regula to create the Egyptian Scarab Oracle. This kit contains thirty beautifully crafted scarabs and a satin drawstring pouch. Each scarab bears the likeness of a goddess, god, or symbol of ancient Egypt.

The easy-to-use guidebook presents reading tips and layouts, interpretations for each scarab symbol, the Egyptian hieroglyphic alphabet, and instructions for creating your own scarabs for divination and protection.

Find out whether your mate is a passionate Horus, a difficult Set, a sensitive and understanding Osiris, fiery Serqet, erotic Hathor, or strong yet loving Isis. Simple to learn and fun to use, the Egyptian Scarab Oracle will help you discover which Egyptian deities you resonate with, learn to read simple Egyptian Hieroglyphics and stimulate your intuition. You can use this oracle to gain insights about love and relationships, finances, career planning, and much more!
