

Email Marketing Made Easy

12 Simple tricks you can use IMMEDIATELY.... So lets talk about - what is email marketing? Now you may already be familiar with email marketing and if so, Rock on! Youre ahead of the game ...But in case you dont know, Email marketing is the process of connecting with leads / or people on your list with offers, information, and other send-outs. Usually the end goal is to sell a product, get a signup, view something, watch a video, or some other action curated from your leads on your email list. So the end result, is getting your opt-in to open an email and take an action
