

Speaking in the Public Sphere, Books a la Carte Edition

Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book. Debuting its first edition, *Speaking in the Public Sphere* empowers students by helping them to develop the rhetorical skills necessary for effective citizenship and meaningful civic participation. Students are encouraged to see public speaking not only as a technical skill, but also as a means to empower themselves and improve the world around them. Case studies and numerous examples help students see how ordinary citizens can make a difference in their world through effective public speaking.
