

Encyclopedia of European Community Law (European Legislation Service)

The Encyclopedia of European Community Law (Secondary Legislation) is a collection of all significant EU legislation in force, consolidated with annotations. Providing you with an understanding of how EC law impacts on national and local issues, EECL is designed to be easy to use, with checklists and tables to ensure that you quickly find the information you need. All areas of law, from employment law to intellectual property and from company law to competition law, are covered.
