

Boy Trouble: The 310

Beth Killian's 310 series heats up as rising It girl Eva Cordes lands her first starring role -- and a notorious Hollywood bad boy! What do you get when you mix broken hearts and superstar egos? Drama, drama, and more drama. With her family in chaos, her roommates at each others throats, and her ex-boyfriend Danny refusing to return her calls, good girl Eva Cordes is desperate for her luck to turn around. So when she snags a role in Westchester County, TV's hottest new primetime hit, she's thrilled. But the casting directors must have made a mistake -- she's been cast as a vampy vixen? Talk about playing against type. Being the star of the show is more than Eva bargained for -- she has kissing scenes with both her aunts actor boyfriend (ick!) and smoldering Aussie heartthrob Teague Archer, plus the show is filming on the UCLA campus -- home to the ex-boyfriend she hasn't quite gotten over. And when she's not dealing with boy trouble on the set, she's trying to get to know the older brother she just found out she had (nice going, Mom!). Eva is ready to give up on boys forever, but Teague Archer -- the guy every girl wants -- has decided he wants Eva. This good girl is no match for his bad boy ways...or is she? Eva just might surprise everyone -- including herself.
