

# Everything You Need to Know: An encyclopedia for inquiring young minds

This wonderful first encyclopedia is the perfect one-volume book of knowledge for young readers. Arranged thematically in ten fascinating core topics, this book will interest knowledge-hungry young minds, with subjects such as dinosaurs, the human body, machines, and space. The lively text is clear, simple, engaging, and enhanced by more than 2,000 illustrations. Every page is filled with story boxes, glossary words, Web links, and illustrated activities to keep young readers turning the pages. Plus, children will feel a sense of achievement with the full-page Now You Know! summary at the end of each chapter, making them feel that they have really learned everything they need to know!
