

## Your hand in Mine

Beloved Heart, beloved Soul, how many times have you felt alone? You can feel alone even when you are loved by a family, friends and a life partner. Why? Sometimes you feel that, by yourself, you have to react, live, fight even if they can support you. Often, you feel that words do not express your deep feelings, thus you have difficulties in making your innermost part being understood. This book helps you in realizing how your Angel lives in you and for you, reacts and fights in you and for you, knows you so well that he helps you in understanding who you are, your Essence, the treasures of your heart, living your human and Divine potential like that. The book is part of the following series of books containing the channeling given by the Angels. Through these messages, the Angels help us to cross the Path to live in harmony and peace with ourselves and the others, and to have a simple and joyful heart, the heart of a happy child. These books can help you in a Path of growth and development. 1 st book: Your hand in Mine (2 nd edition) 2 nd book: I am beside you 3 rd book: Heal yourself and help heal 4 th book: Helping with Light and Love
