

## Fabric of the Soul: 8 Extraordinary Vessels

Fabric of the Soul, 8 Extraordinary Vessels guides and motivates a rich understanding of the relationships between mind and soul to physical ailments. This is the heart of extraordinary vessel theory - a tradition in Chinese medicine that yields knowledge about modern syndromes and illness affecting multiple body systems. Practitioners of both eastern and western traditions will benefit from this user - friendly resource guide. This is a resource book to enrich the study and practice of Chinese and Western medicine, Jin Shin Do, Shiatsu, Tai chi and Qigong. Fabric of the Soul is clearly written and illustrated with illuminating case studies that provide easy access to a complex theory. The author has over 25 years experience in the field and brings her broad experience to unravel the mystery of the extraordinary vessels. Fabric of the Soul also gives a clear presentation of a simple and powerful qigong practice. Cultivating a deep understanding of and insight into the extraordinary vessels provides a daily personal practice that empowers anyone to achieve optimum health of body mind, and spirit. This book is a valuable tool for practitioners, students and anyone interested in qi; life force energy.
