

## The Facts On File Students Thesaurus

The Facts On File Students Thesaurus, Third Edition includes listings for more than 9,000 of the most commonly used words in the English language. Arranged in an easy-to-use A-to-Z format, this invaluable thesaurus includes words carefully selected for junior and senior high school students, making it far more accessible than references designed for adults. Each entry includes identifications of the part of speech, a carefully selected list of synonyms, a list of antonyms where applicable, and a sample sentence. This new edition features a wider selection of advanced words, science and technological words, as well as words on topics that have become more popular since the last update, such as computers and the Internet. New entries include abate, aboriginal, closure, efficacy, intuitive, misanthrope, preponderance, rapacious, raspy, sophistry, trenchant, viscous, vitriol, and more. With thousands of new entries and updates to existing entries, The Facts On File Students Thesaurus, Third Edition is the perfect resource for junior and high school students looking for a concise, easy-to-use thesaurus.
