

Fail Your Way to Success

How to Harness the Power of Positive Thinking in Business! Set your goals high and then learn how to exceed them... Tahar Ali is a self-made entrepreneur and a successful motivational speaker who is also an inventive businessman. From humble beginnings, he created a prosperous career for himself through sheer determination and hard work, and now he shares his vast insight with individuals who strive to achieve higher levels of both personal and professional success. This amazing book offers an inclusive view of what it takes to thrive and prosper in business based on his own personal experiences and hard-won wisdom. He knows firsthand what it takes to follow a dream, build goals, and work persistently to achieve them. Tahar shares his tried-and-true advice for attaining success in whatever you set out to do, and entrepreneurs will learn how to conquer negative doubts such as worry, lack of self-confidence, or poor self-esteem. In this book, Tahar reveals the personal stories of his life, including his own professional triumphs and challenges that are relevant to businesspeople everywhere around the world. Tahar's deeply moving story will not only motivate you, but it will also inspire you. So what are you waiting for? Scroll up and buy your copy today!
