

Father Christmas Goes on Holiday

In this hilarious sequel from Raymond Briggs, author of *The Snowman* and inspiration for *The Snowman* and *Snowdog*, a still rather grumpy Father Christmas decides to go on holiday. No-one needs a holiday more than Father Christmas, but where can such a well-known and easily recognized person go? Father Christmas sets off in search of his ideal holiday spot! France, Scotland and Las Vegas are his chosen destinations, but as Father Christmas discovers - there's nowhere like home.
