

# Fishing the Texas Gulf Coast: An Anglers Guide To More Than 100 Great Places To Fish

Texas offers tremendous angling opportunities and its nearly 400-mile coast along the Mediterranean of the Americas offers everything from flounder, speckled trout, redfish, and other species inshore, to kingfish, cobia, and blue-water big game offshore. In this all new addition to The Lyons Press Regional Fishing Series, Mike Holmes provides information on top fishing locations, as well as advice on tackle, baits and lures, best fishing times, and fishing strategies.
