

Football Strategy: Football Strategy learning the fundamentals of football

Football strategy is a guide that will help you understand how an X and an O on a chalkboard can translate into elaborate schemes. This Book will Cover most of the basics. What are the formations offenses use and why? What do defenses do to combat these ideas? What is effective in the game of football and what can teams do to stop it? These are some of the questions that will be answered later on in this book.
