

## Quantum Electronics and Laser Science Conference: (Qels 2000) : May 7-12, 2000 the Moscone Convention Center San Francisco, California (International ... Conference//Digest of Technical Papers)

Presents abstracts and summaries of papers from a May 2000 conference reporting on recent advances in ultrafast dynamics, nano-optics, nonlinear optical phenomena, novel optics, quantum optics, cold atoms and molecules, and atom optics. Some specific topics include carrier correlation in optical exc
