

## Fright Night Flight

First stop, off we pop to a craggy mountaintop. Spooky castle, creaky floor -- who is opening the door? Is it a lurking, smirking Vampire? Or a howling, growling Werewolf? One by one, a ghoulish gang climbs onto this super jet-fueled broomstick for a frightfully fun flight on Halloween night. Want to hop aboard? There might be room for just one more. But beware -- Laura Krauss Melmed's cumulative rhyming story and Henry Cole's hilarious illustrations will take you on the ride of your life!
