

# From Strategy to Execution: Turning Accelerated Global Change into Opportunity

This insightful book presents new and innovative business models that are increasingly becoming a key to business success in a rapidly changing world. It details new and appropriate analytics, frameworks, insights, and forecasts for strategy and execution. At the intersection of disruptive and accelerated change, business leaders around the world are trying to embrace change and incorporate innovative business models in the basics of their businesses. Increasing emphasis is being placed on rethinking how customer value is developed and delivered, rethinking the profit formula and the financial model, and making corresponding changes to the core resources.
