

Money Run: Ashley Arthur (Book 1)

What would you do for \$200 million? Would you break into a billionaire businessmen top-security skyscraper? Would you drive a priceless sports car off the roof? Would you fly a helicopter with only a handbook to guide you? And would you take on an unstoppable hitman intent on your destruction? For teen thieves Ash and Benjamin, its a no-brainer... Money Run is a high-octane thriller, starring two unlikely heroes with a dangerous appetite for adventure...and big stacks of cash. If you love full-on action films then you will love this book. - The Book Zone Second place Brilliant Book Award
