

No Return (The Internal Defense Series Book 3)

Every dissident knows about Becca Dalcourt. They know about the lives she saved. About the prison break she carried out against impossible odds. They know she turned a dying resistance into the first real threat Internal Defense has faced in a long time. And even now, with the resistance under attack from the inside, they know Becca can save them. They're wrong. The conclusion to the story that began with *THE TORTURERS DAUGHTER* and *NECESSARY SACRIFICES*, *NO RETURN* explores what happens when an ordinary person becomes a legend - and how to choose between who you are and who the world needs you to be.
