

The Simplification of Becoming a Millionaire

This book tells the story of a poor boy who grew up in the small town of Summerfield, North Carolina. He was able to become a millionaire by putting in place strategies, and having the discipline to maintain those strategies throughout the stock markets up and downs. Further, by becoming a financial advisor, I was able to build a financial planning practice, acquire clients, convince them take my advice, and follow strategies that helped many of them become millionaires as well, says author Gary L. Clark. The advice and strategies are simple, and if followed, can help almost anyone become a millionaire. Thus, The Simplification of Becoming a Millionaire was born. After a career as a financial advisor and money manager, Gary L. Clark is retired and lives in Clermont, Florida, about 20 miles west of Orlando. He was inspired to write his first book because of his personal success and the success that many of his clients also achieved by following simple strategies. It is a story he wanted to tell, and he hopes it will inspire others. Publishers website: <http://sbprabooks.com/GaryLClark>
