

Christmas in the Big Woods (My First Little House Books)

Long ago, a little girl named Laura Ingalls lived in a little house in the Big Woods of Wisconsin with her Pa, her Ma, her sisters, Mary and Carrie, and their good old bulldog, Jack. Winter was just around the corner, and Laura worked hard to help make the little house ready for the cold days ahead. Soon there was frost on the windows and snow on the ground, but Laura and her folks were warm and cozy in their snug little house in the Big Woods. Laura Ingalls Wilder's Little House books have been cherished by generations of readers. Now for the first time, the youngest readers can share her adventures in these very special picture books adapted from Laura Ingalls Wilder's beloved storybooks. Renee Graef's warm paintings, inspired by Garth Williams' classic Little House illustrations, bring Laura and her family lovingly to life.
