

# Integrity

Does America really know what integrity is? In this book, Dr. Stover addresses the critical need for integrity in every personal and societal entity. He looks at how a common set of values will support the very fabric of our civilization and how its absence will lead to the ultimate fall of a local, national or world community. Dr. George Stover is founder of Wellspring Ministries - Churches & Missions, Inc. and founding Pastor of Wellspring Church of All Nations in Las Vegas, Nevada. He is also President of Wellspring Bible Institute and the Wellspring Ministerial Fellowship. Pastor Stover has held various positions with the Full Gospel Fellowship of Churches & Ministers since 1984 including a term as the Vice-President of the Southwest Region. He holds a Doctor of Ministry with Logos Christian College, Jacksonville, Florida, a Doctor of Theology and a Doctor of Philosophy from Southern Bible Institute & Seminary, Augusta, Georgia and has authored several books and a multitude of teaching materials. George is an international power evangelism crusade speaker and leadership trainer. His practical approach to often misunderstood subjects brings enlightenment and liberation to those with an ear to hear.
