

Grandmas Memory Book

Your life is full of rich stories waiting to be told, and Grandmas Memory Book is a way to help you share those treasured memories with the ones you love. The book is a series of questions that prompt you to share the information essential for your children and grandchildren to know more about their heritage. The questions are arranged in chronological order: from childhood and adolescence to marriage and retirement. You'll also find pages to list your parents and grandparents names so your grandchildren will know even more about who they are and where they come from.
