

## GRIEVANCE: EPISODE 1: YOUNG ADULT SERIAL

Admiration always comes with a price. For THE SIX: Emmitt, Ellie, Hannah, Connor, Kristen, and Tristin, popularity in small town Crissana, Arizona came easy. The inseparable friends have been the envy of their classmates since third grade, and are expected to rule senior year as well. That is until Emmitt's car is pushed over a cliff, with his twin sister, Ellie, asleep inside. Now Ellie's death is all anyone can talk about, while the remaining five begin senior year under an even brighter spotlight. Emmitt hasn't been seen since the funeral. All eyes are on Kristen as she assumes the role of student body president. Connor has his hands full with an imploding relationship, while Tristin is questioning her sexuality, for the second time. At the center of it all is Hannah, whose boyfriend caused the accident. Everyone's questioning why she continues to stand by him, especially her friends, and it's Dax's job, as Crissana's anonymous Sun Vlogger, to find the answer.
