

Halloween Howl (Cliffords Puppy Days)

The beginning of the new school year brings a new neighbor to the apartment building where Emily Elizabeth lives. Clifford and his friends are scared by a strange wailing noise coming from the new neighbors apartment. And they begin to wonder if a monster isnt living there--especially when they find a huge tooth. Clifford finally meets the new family, and realizes that all his fears are unfounded. In the end, Clifford and the gang realize that you should get to know people before you decide what theyre like. Based on the TV episode The Monster in 3-B
