

## Are You Ready?: A Preparation Plan for the Days to Come

The third book in the Are You Ready? series. We are living in the best of times as both a great harvest and another Awakening come forth. We are also living in the worst of times as we prepare to experience a national trial of proportions our generation has not lived through before. Are you ready to thrive through this national trial as well as any natural disasters to come? Are you ready to evacuate temporarily or indefinitely? It is time to put together a preparation plan for the days to come! This book will provide to you insights into various areas of preparation to get you started in developing your own unique preparation plan. These areas include community, evacuation, water, food, essentials, clothing, sanitation, barter, personal and home security, finances, energy, vehicles and fuel, medical, and EMP. Each of these areas are presented on three levels: Basic, Intermediate, and Advanced.
