

The Joy of Crystals and Stones (The Joy of . . . Series)

These pocket-sized, affordable books are filled with four-color illustrations and feature complete explanations of the properties of and techniques for using the tarot, the zodiac, crystals, and dream interpretation. These handbooks make it easy to harness the life-changing powers that these disciplines offer. Choosing the best careers and relationship partners, gaining psychological insight into oneself and others, and predicting the future are just some of possibilities that these books will provide.
